News and Upcoming Games

April is Charity Month. Your play in April will support Bridge For Youth. This is a local charity dedicated to the mission of bringing the game of bridge to middle school and high school kids. April 7th is our monthly Swiss Team event.

Try something different! On April 11th, we are going to be running an **IMP pairs** event. This is a pairs game, but the scoring is like teams. Bid your close games. Don't miss your slams. Overtricks barely matter. **If you like team strategy, this is your game.**

On Thursday, April 30th we are holding a special ACBL-wide Charity game. You can win **up to 20 Masterpoints** — **one of the largest awards available in a club game.** The last two ACBL-wide games had district tops from our club (10 Masterpoints). Come get your points!

On Sunday, April 12th at 1 pm we are hosting the monthly unit game (MUG). This month is a Captains Game. Here's how this works. This is a team game where the top players in the unit are designated as captains. Captains then draft a team of 3 more players for a Swiss game — **a fun chance to play with partners you might not normally team up with.** **PRE-REGISTRATION IS REQUIRED BY FRIDAY, APRIL 10th.** We need to know how many people want to participate so we know how many captains to recruit. To register, please use RSVP Bridge or send an email to Joe@13TopTricks.com.

The week of April 20th, the ACBL is having a special charity event called Gold For Good. This event works like a side series at a regional. **Participation is optional.** **Our regular club games will still be run.** You will get an opportunity to register via email from the ACBL. Play in any two Gold For Good games during the week and you will be considered for overalls which pay gold. Your \$30 extra entry fee for the week will be donated to the ACBL Charity Foundation. We will end Gold For Good week with Brunch and Bridge on Sunday, April 26th.
