News and Upcoming Games

Are you looking for **GOLD** points? We have 6 chances in October. The Swiss Team games on Tuesday, October 6th, Tuesday evening October 20th and Saturday, October 24th pay 5% gold. On October 21st, we are having the annual Fall Instant Matchpoint Game. 1st place in NS and 1st place in EW pay 1.0 gold point. You can win additional points for district tops or national tops. This game comes with a booklet with expert analysis of all the hands. The District 19 NAP finals will be held at 13 Top Tricks on October 17th and 18th. These games pay a substantial gold point award and can earn you a trip to the Nationals in Dallas in the Spring. Flights A and C play on Saturday. Flight B and Unlimited play on Sunday. One-session entries are NOT available for the NAP finals. *You must have qualified at any participating club during June, July or August to enter. Check with me if you're not sure if you qualified.*

A new class will begin on Wednesday evenings at 7 pm in October. This class will focus on declarer problems. In Declarer's Decisions, you will be presented with several pairs of hands. They may LOOK similar, but they are in fact different. Will you spot the clue that will help you land the contract?

On Sunday, October 11th we are having the very popular Brunch and Bridge event. Brunch at noon, bridge at 1 pm.

There will be no duplicate game at 13 Top Tricks on October 25. Instead, I encourage you to attend the MUG at the Seattle Bridge Center. This month's MUG is a Captains Game. Preregistration is REQUIRED.

On Saturday, October 31st our afternoon game will be an IMP pairs game. The scoring is like Swiss teams but in a pair game. Bid your close games. Overtricks don't matter very much.
