## June 2026 News

### News and Upcoming Games

Most games in June pay extra points. We have several special games on the calendar. Watch for the North American Pairs games (NAP). These games pay half red and half black points. You can also qualify to play in the district finals where you can win a trip to play in the finals in the spring.

We are offering a new class on the 2 over 1 Game Forcing System. If you already know Standard American bidding and want to improve your auctions, it's time to learn **2 Over 1 Game Force** — the modern bidding system used by many serious duplicate players. Need a brush up? This is a great opportunity for you too. This 4-week series will be held on Wednesday evenings at 7 pm in June. Cost is \$80 for the series.

On Saturday, June 13<sup>th</sup> we will be running a barometer game. This is a really fun format where all tables play the same boards at the same time. An updated leaderboard is posted after each round so you can see how you're doing.

Our monthly Swiss team game will be on Tuesday, June 2<sup>nd</sup> at 11 am. Get your teams together now. Brunch and Bridge will be on Sunday, June 28<sup>th</sup>. Brunch at noon, game at 1 pm. Brunch and Bridge is \$20.

The Longest Day charity fundraiser will be held on Wednesday, June 17<sup>th</sup>. Please be as generous as you can. A donation page can be found on the homepage. You can also bring checks by the club. Please make all checks payable to "The Alzheimer's Association" and I can deposit them via app to our team's fundraising page. This year our goal is to raise \$7000.
