November 2026 News

News and Upcoming Games

There are some special events happening in November. The month kicks off with Brunch and Bridge on Sunday, November 1st. Brunch is at noon with a game following at 1 pm. On Tuesday, November 3rd we are having a GNT Swiss team event. This game pays half red, half black and you can qualify to play in the D19 GNT finals in the spring.

Fast Pairs Thursday night. Sign up on RSVP by **11:59 pm Tuesday** and your entry is just $7. 24 boards, done by 9 pm. It's TONS of fun and I'll be playing with a different person every week. If you see me on the partnership desk, you can just sign up with me.

This month on Wednesday evenings I will be teaching another round of "Defense Decisions." Defense Decisions is a practical course focused on the choices you face when declarer has the contract: What should you lead? What is partner trying to tell you? Should you continue a suit or switch? When should you play aggressively, and when should you sit back and wait? This course will help you learn to think like a defender, using the auction, dummy, partner's signals, and declarer's play to work out what is happening around the table. **If you've taken this class before, we have ALL NEW hands and situations.**

On November 22nd, we are hosting the Unit 446 MUG. This month's game is IMP pairs. This game is a pair game, but the strategy is like a Swiss Team game. Bid your close games, overtricks don't matter much.

In 2027, Seattle is hosting the fall NABC. In preparation for this tournament D19 is holding a fundraising week. November 15-21 we will be holding special games with extra Masterpoint awards.
