July 2026 News

News and Upcoming Games

There are a lot of exciting games on the schedule for July. We will be closed July 4–5 for the Independence Day holiday.

North American Pairs (NAP) Games

Watch the calendar for NAP qualifying games. NAP stands for North American Pairs. These games award **50% red** points and **50% black** points. In addition, players can qualify for the District 19 Finals. Those who do well at the district level earn the opportunity to compete at the Spring North American Bridge Championships in Dallas. Qualifiers may also be eligible for a travel stipend to help offset expenses.

Monthly Swiss Teams

Our monthly Swiss Teams game will be held on Tuesday, July 7, at 11:00 a.m. Start putting your teams together now. If you need help, let me know.

Silver Point Week

From July 11 through July 19, all club games will award **25% silver** points and **75% black** points.

Instant Matchpoint Game – July 22

We have a very special game on July 22. Each summer, the ACBL conducts its annual Instant Matchpoint Game. This event awards 1.0 Gold Point to the first-place North-South pair and the first-place East-West pair. Additional awards are available for district and national overall finishes. Every participant receives a booklet containing expert commentary on all 36 boards. This year, I had the honor of writing the analysis for the event, and I hope you'll join us for this unique game.

Unit 446 Suntain Sectional

13 Top Tricks is proud to host part of the Unit 446 Suntain Sectional from July 24 to 26.

Important: This sectional will use a new split-site format. Limited masterpoint events will be held at 13 Top Tricks, while open events will be held at the Seattle Bridge Center.

Please review the sectional flyer carefully and make sure you arrive at the correct location for your event.
